The Annual State meeting has been the largest OSRC sponsored Respiratory Care educational conference in the State of Ohio for the past 47 years! The goal is to present a wide variety of current and emerging trends in clinical, managerial and educational topics in Respiratory Care.

This year we have added an additional educational opportunity with our Sleep & Diagnostics Conference on Sunday August 3 prior to the State Meeting on August 4 - 5.

For those who need continuing education, these two conferences will provide 6 CRCE for the Sunday Sleep & Diagnostic Conference (including Ethics), 7 CRCE for the Monday sessions of the State Meeting, and 4 additional CRCE on Tuesday (including Ethics) along with the OSRC Business Meeting and Awards Ceremony.

Single and multi-day rates are available for the two conferences.

Non-AARC members receive a one year membership with State Meeting registration.

17 CRCEs have been applied for from the AARC. 6 CEUs have been applied for from the BRPT.
